EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows: In claim number 8, line 1, the status identifier has been changed from "(currently amended)" to ~~-(original)~~—since the Examiner had previously renumbered applicant's claims and claim dependency for applicant's benefit. Thus, it is not necessary for applicant to amend the numbering of any of the claims. Since no amendments were made to the text of claims 8-15 use of the status identifier (currently amended) was inappropriate since no changes have been made.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to William P Neuder whose telephone number is 703-308-2150. The examiner can normally be reached on Tuesday through Friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David J Bagnell can be reached on 703-308-2151. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
